

sQuid Dinner Money for Primary Schools

A simple to use but powerful cashless and attendance system designed to administer and process Universal Infant Free School Meals, Free School Meals, online payments, cash payments and payments by cheque. All children can participate in the pre-ordering and class registration process using interactive whiteboards.

Parents log in online to their sQuid account, or via the sQuid mobile App to pre-order and pay for their child's school meals quickly and easily. Full reporting facilities provide the catering manager with meal selection quantities, reducing waste in the kitchen.

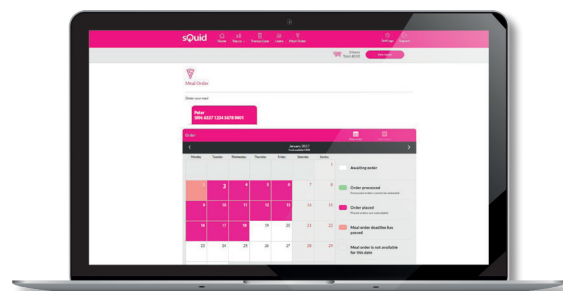

Meal pre-order

Meal pre-order allows parents to choose their child's meal in advance
Eliminates cash counting and reconciliation, reducing school administration time and resources

Discreetly records Universal Infant Free School Meals and Free School Meals

Allows the school and parents to monitor a child's eating habits

Results in faster service times and shorter lunch queues

Attendance system

Pupils record themselves as present on an interactive whiteboard in the classroom

Automatically reports back into the school's Management Information System (MIS)

Reduces in-class administration time – teachers can focus on teaching

Extensive reporting

View pre-orders and any uncollected meals, for the whole school or by class

View transactions for a single child, class, or for the whole school

Run insightful reports including sales and revenue figures, product popularity and stock management, and Free School Meal allowances and eligibility

All reports are available to download in PDF, Word document or Excel spreadsheet formats
